

## References to the Yogyakarta Principles at the UPR

### Finland

**Recommendation:** consider using the Yogyakarta Principles on the Application of International Human Rights Law in relation to sexual Orientation and Gender Identity as a guide to assist in its policies development. (recommended by Slovenia)

**Response:** The delegation of Finland stated that her Government had studied the Yogyakarta Principles and stated that they are a useful tool to bring clarity and coherence to States' human rights obligations. Finland agreed to follow up on the recommendation.
